

Partnering with the Foundation for Vancouver Public Schools equals a powerful social return on investment.

For every \$1 invested, we leverage \$4 in resources and services for VPS through the Family-Community Resource Centers.

All sponsorships include tables at the Annual Luncheon.

Thanks to our sponsors, 100% of donations made at the Luncheon go directly to support Vancouver Public Schools students.

# HIGH IMPACT PROGRAMS TO SUPPORT AND INSPIRE STUDENT SUCCESS

## BASIC NEEDS

Since 1988, the Foundation for Vancouver Public Schools has played a valuable part in assuring that the basic needs of our most vulnerable students are met, allowing them to come to school healthy, happy, and ready to learn. The Foundation for VPS provides support to meet students' most urgent needs quickly and discreetly through the district's 18 **FAMILY-COMMUNITY RESOURCE CENTERS** and mobile unit. During the 2016-17 school year, the Foundation for VPS provided over \$239k to assist students needing food, clothing, eye exams and glasses, emergency medication, caps and gowns, athletic and activity fees, medical and dental care, and more.

## EARLY LEARNING

Since 2012, Foundation for VPS has contributed over \$375,000 to help children age birth to pre-kindergarten and their families through early learning experiences that support school readiness. The Foundation for VPS partners with VPS and ESD 112 to provide **1-2-3 GROW AND LEARN** and **KINDERGARTEN JUMP START**.

## MENTORING

For nearly 25 years, students have benefited through positive interactions with carefully selected role models through the **LUNCH BUDDY** mentoring program. Since 1993 the program has connected 3,000 carefully selected adult volunteer mentors with 3,500 elementary students needing positive role models in grades 1 – 5. The need is growing. More than 100 students are on the wait list for a Lunch Buddy.

## ENRICHMENT

The Foundation for VPS also enriches the learning experiences for all students who attend Vancouver Public Schools by awarding annual **ENRICHMENT GRANTS** to each school for a school-wide project that is beyond the budget of the district, so all students have opportunities that spark their interests, connect them to their passion, and help them envision their future success in college and life.

With your support, the Foundation for VPS will continue to create opportunities that cultivate and inspire success for students in school... and in life.
