FAMILY & COMMUNITY ENGAGEMENT

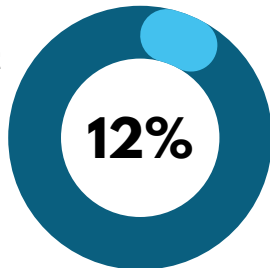

Funds help strengthen school communities by supporting engagement activities that connect families to resources and opportunities to support student success.

2023-24 IMPACT AT A GLANCE...

- VPS Family-Community Resource Coordinators hosted **136** family engagement events.
- The VPS Multilingual Welcome Center enrolled over **340** students, connecting their families to valuable resources during the process.
- **40** parents met **8** times over the year to perform a SWOT analysis which identified the need for more access to VPS programs, mental health and discipline support for kids.
- **1695** books were distributed to 1st graders and their families, in multiple languages, to encourage reading at home.

Direct Support to Students in 23-24:
\$1.19 million

Approximate amount directed towards family & community engagement:
\$143k
