

Dear Volunteer –

This process includes the following documentation:

We request this information to obtain Washington or Oregon State Patrol (WSP/OSP) records of any criminal convictions for felony crimes within the last ten (10) years, as well as any offenses against persons, civil adjudication's of child abuse, and disciplinary board final decisions from the WSP/OSP criminal identification system. If the WSP/OSP report shows evidence of a criminal history background and we are unable to consider you for volunteering in Vancouver Public Schools, you will be notified by mail.

Volunteers are welcome to request a copy of their OSP/WSP report from the VPS Safety Office. If acceptable, it may be used for other community activities that require a past criminal history search clearance.

WSP/OSP Criminal History Background clearance expires after two (2) years from date of issue. At that time, you will need to renew your clearance.

Volunteer Expectation Agreement

Thank you for your interest in volunteering in Vancouver Public Schools. This information is provided for your safety as well as for the protection of the children you will be working with. Please review it carefully and ask any questions that may arise. We want the time you spend volunteering to be a positive experience for all.

Relationships For the protection of all, the relationship between you and any student you become acquainted with through volunteering in the Vancouver Public Schools must be kept appropriate at all times. Continuing your volunteer relationship through out-of-school contact, such as phone calls, home visits, or invitations to your home, social events, office, vehicle, or activities is not permitted without a specific directive from a teacher and/or prior written parental permission. This prohibition, of course, would not restrict out-of-school contact with students who are family friends or known to you through other community contacts. Appropriate Touching Handshakes, "high five's", an arm or hug around a shoulder are the only safe and friendly ways to touch a child when you are volunteering. For some children, or for some cultures, even these gestures may be unwelcome. No child should be subject to unwelcome touching no matter how well intended. If a child ever inappropriately touches you, please inform a staff member right away.

Communication You are a role model. Your conversation with students and staff should demonstrate respect for others and avoid language that may be perceived as discriminatory, profane, sexist, or offensive. No student or staff person should ever be treated differently, spoken to disrespectfully or denied services on the basis of race, religion, disability, age, national origin or marital status. In addition, school personnel or volunteers cannot encourage or promote religious beliefs by class activities, comments or invitations to their place of worship.

Confidentiality As a volunteer, you must respect and maintain confidentiality in regard to personal information obtained regarding a child or his/her family with certain exceptions. Reasonable suspicion of abuse, neglect, sexual harassment, illegal or dangerous activities should be shared with staff. Be assured they will follow up on the information. Do not photograph students or post information about students on social media.

Discipline Any discipline of a student should be left up to a staff member. Physical punishment is never permitted.

School Safety Plan In the event of an emergency while you are on site (fire, earthquake, etc.) you need to be familiar with the Safety Plan of the building you volunteer in. Each school will provide their Safety Plan to volunteers at orientation & training sessions.

Check In/Out All visitors, including volunteers, are required to sign in at the main office in the school and wear an identification badge while on campus.

Volunteer Orientation & Training All volunteers will receive orientation to general building procedures, including an understanding of school polices, rules, and expectations; a tour of the campus; and instructions on what to do in the event of an emergency while you are on site. Specific training for the program you will be working in and instructions on how you will communicate with the assigned staff member should also be provided.
